### **Statement of Trustees' Responsibilities For the year ended 5 April 2017**

*It is a requirement for the Trustees to prepare a receipts and payments account and balance sheet statement for each financial year which give a true and sufficient view of the state of affairs of the Trust and of the result for the year then ended. In preparing those financial statements, the Trustees are required to:*

- *select suitable accounting policies and then apply them consistently;*
- *make judgements and estimates that are reasonable and prudent;*
- *state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;*
- *prepare the financial statements on the going concern basis.*

*The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Trust and enable them to ensure that the financial statements comply with relevant legislation. They are also responsible for safeguarding the assets of the Trust and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.*

## **Trustees' Annual Report to the Accounts For the year ended 5 April 2017**

### **TRUSTEES' REPORT**

The Trustees present their annual report and financial statements for the vCJD Main Trust for the year ended 5 April 2017. The accounts comply with the minimum accounting and audit requirements as set out by the internal auditors for the Department of Health.

### **TRUST OBJECTIVES**

The Secretary of State for Health on behalf of Her Majesty's Government has established a scheme to compensate those who suffered or are suffering from the disease known as variant Creutzfeldt-Jakob disease ("vCJD"). A fund of up to £67.5 million has been made available to the Trustees in accordance with a Trust Deed dated 15 March 2002 as amended (The Main Trust Deed). The Trust was preceded by Interim Trusts that came into existence on 10 April 2001 and 11 December 2001.

The scheme does not preclude victims, their dependants and executors and administrators, from taking legal proceedings against the Crown and/or related bodies if so advised; but in the event of such proceedings being brought, the sums paid under the scheme will be taken into account in the computation of damages awarded in any such proceedings.

### **FINANCIAL REVIEW**

#### **Main Fund**

The Secretary of State is committed to providing a Main Fund of £62,500,000 which is expected to be sufficient to enable the Trustees fully to compensate up to 250 victims and their families in accordance with the terms of the Interim Trusts and the Main Trust Deed. An initial sum of £12,000,000 was placed in the Main Fund on 21 March 2002 to which was added £8,000,000 on 25 March 2003, £13,000,000 on 26 November 2003 and £14,350,000 on 14 July 2004. To date payments totalling £23,831,096.63 have been made from the Main Fund (of this amount £260,968.13 was paid during the year ended 5 April 2017). This is in addition to payments of £2,773,333.33 and £10,325,000 which have already been made from the First and Second Interim Trusts respectively.

#### **Discretionary Fund**

The Discretionary Fund from which certain specified heads of claim are to be paid at the discretion of the Trustees was capped by the Secretary of State in the sum of £5,000,000. The Discretionary Fund is designed to compensate those individuals who have incurred (1) particular financial or emotional hardship caused by a psychiatric condition, (2) care, travel and accommodation expenses, (3) particular hardship arising out of care and (4) particular hardship if unable to obtain life insurance or mortgage protection insurance. An initial sum of £3,000,000 was placed in the Discretionary Fund on 21 March 2002 to which £2,000,000 was added on 25 March 2003. To date payments totalling £4,674,259.47 have been made from the Discretionary Fund (no payments were made during the year ended 5 April 2017).

The Trustees made representations to the Secretary of State at a meeting with him on 25 October 2004 for additional sums to be paid into the Discretionary Fund, mainly to meet potential claims for particular hardship. As a result of those representations the Secretary of State agreed to £3,000,000 being transferred from the Main Fund into the Discretionary Fund.

### **REVIEW OF ACTIVITIES**

There is at present no reliable test that will determine whether a person is suffering from either CJD or vCJD during their lifetime. Therefore, only a provisional diagnosis can be made in order to avoid holding up payments, which is provided by the CJD surveillance unit who are responsible for concluding, on the basis of the available evidence and symptoms whether, on the balance of probabilities, the relevant individual is considered likely to be suffering from vCJD. The diagnosis can be definitely confirmed on post mortem examination but again the final decision will rest with the CJD surveillance unit.

Applications on behalf of the Victims and their families are made by way of a detailed questionnaire to the secretariat, who then gather all relevant further information and compile a report for consideration by the Trustees at regular intervals.

Having regard to the taxation liabilities of the trust and of the beneficiaries, the accounting period will correspond with the fiscal year. As the Trust was created on 15 March 2002 the first accounting period covered 13 months from 15 March 2002 to 5 April 2003. The attached accounts cover the fifteenth accounting period from 6 April 2016 to 5 April 2017, which have been audited independently.

## AUDIT REQUIREMENTS

The trust deed is reviewed annually to ensure that it is still appropriate to the work of the Trust and fully

reflects the current Trustee details. Recommended variations to the Trust Deed are made after consultation with the counsel and solicitors who acted for the Secretary of State and for the victims' families in the establishment of the Trust. All relevant documents are in the safe-keeping of the Trustees' Secretariat. Where Trustees have appointed an agent to maintain the Trust's accounting records (their solicitors in this case), the Trustees ensure that there are adequate systems of control to enable them to discharge their responsibilities.

The accounting and other records are available for inspection by the Comptroller and Auditor General. The records of any audit carried out by the National Audit Office ("NAO") are available on request from the NAO or from the Department of Health on their behalf.

## **RESERVES POLICY**

The policy of the Trustees (which is reviewed at least annually) is to distribute the Trust Fund, together with any income accrued thereon in accordance with the objectives set out above. No reserves will be formed out of income.

## **RISK ASSESSMENT & INVESTMENT POLICY AND PERFORMANCE**

The Trustees have assessed the major risks to which the Trust is exposed, in particular those related to the operations and finances of the Trust, and are satisfied that systems are in place to mitigate their exposure to risk. Following recommendations made by Asset Risk Consultants Ltd (ARC) the Trustees have invested £12,000,000 with Cazenove Capital Management in 2013 to increase the yield on their investments. The Trustees perceive that the major risk is their exposure to the effect of stock market conditions and other problems associated with managing their investments and other assets (principally cash). They have sought to contain the risk so far as possible by employing Cazenove Capital Management to manage their investments on a Discretionary basis. The investment manager has developed a specialist mandate with high fixed income investments and cash exposure, which originally excluded the equity investments, which, as an asset class, were deemed too high risk for the trustees.

In 2014, the trustees considered the liquidity in the portfolio and, given the low interest rates, have decided to place £4,000,000 on a fixed 12 month deposit at a rate of 1.7% gross per annum. The deposit matured in March 2015 and the funds were held by Metro, prior to reinvestment on 22 May 2015 on a fixed 18 month deposit at a rate of 1.6% gross per annum.

The financial statements are prepared under the historical cost convention.

Transactions can only be actioned by the Trustees and eight other persons to whom power has been delegated. Delegated signatories are Patrick Russell, Duncan Lamont, John Sykes, Andrew Cameron, Suzanne Marriott Piers Master, Catriona Syed and Bart Peerless, all partners at Charles Russell Solicitors, the Trust's administrators. Transactions must be authorised by at least two persons. The rates of interest have reduced significantly over the last few months and the rate applicable to the Clydesdale Bank accounts during the period covered by the attached Trust Accounts was (and currently is) 0.5% gross per annum.

## **FINAL DISTRIBUTION DATE**

This is 15 March 2082 in accordance with the terms of the Trust Deed and trust law, or earlier if the Trustees in their absolute discretion think fit. Any funds left in the Trust after meeting the claims of 250 cases will revert back to the settlor unless otherwise directed by the settlor.
